

K-12 School Performances

Mask Dances from Bali

Welcome to the fascinating culture and arts of Bali! Not only being entertained by a presentation of unique dance masks and choreography, the students will have an opportunity to explore character traits through trial of masks and creative movement. This program promotes academic skills and knowledge in English language arts, Social studies, Theater, Music, Dance, and Visual arts. Purnama Sari also offers pre and post performance lessons that align with the Common Core and state standards.

Shadow Puppet Theatre

Be mesmerized by mysterious shadow puppets from Bali! Accompanying Balinese music (*gamelan*) further enhances dramatic effect and carries the audience to the mythological kingdom in the Ramayana, the great Hindu epic. The K-12 students will enjoy the adventurous story with the universal message of heroism and friendship. Following their presentation, Purnama Sari will lead a discussion about how Improvisational sound, background music, props, and certain techniques of maneuvering puppets create dramatic effects. This program promotes academic skills and knowledge in English language arts, Social studies, Theatre, Music, and Visual arts. Purnama Sari also offers pre and post performance lessons that align with the Common Core and state standards.
